1. Meeting called to order by President, David Stiles, at 9:30A.

This provided for enthusiastic discussion. **Event details: Saturday February 10, 2024 from 11A to 2P at the Joslyn Adult Recreation Center.** Each Club will assist with set-up and break-down, and clean-up for this event. The following agreements were recommended as **“next steps” for Club Presidents and members:**
 - Each Club completes and submits the event form, so the Outreach Committee knows amount of space and other needs.
 - Each JRC member is strongly encouraged to bring a non-member to the event.
 - Each Club provides three dozen cookies for the event.
 - Info Sheets to have similar format, Ali Vassigh will provide his Table Tennis info flyer as a sample, so visitors will have consistent user-friendly info for each Club.
 - Each Club provides three photos of their club activities to be displayed in a loop on the BIG screens in the Main Hall and Conference Room. **Submit photos to Mark Kantor by Thursday, February 1, 2024, for inclusion.**
 - Outreach Committee is working with Lorient Schwenk, Cambria Chamber of Commerce, to promote this event via websites and social media.
3. **Outside Banners along the Lawn Bowls fence:** noted that they appear to be worn and perhaps in need of replacement. David Stiles will follow up on this item.
4. **Outside JRC Display Cabinet near Lawn Bowls entrance:** could use “sprucing up”. After discussion on what may be required, this item is being referred to the Outreach Committee for evaluation.
5. **Off Topic Item:** heater in Main Hall is not heating. Mark Kantor will follow up on this item. FOLLOW UP revealed that the thermostat temperature needed to be increased, which Mark did, and all is working well.
6. Meeting adjourned at 10:30A.
