

Dear Joslyn Recreation Center Members,

November 2021 – Joslyn Center Update

Happy Halloween! Hope your October ending weekend leads to a fabulous November. We continue to do all that we can at the JRC while Covid concerns persist. Protocols established by the state and county are followed including masking indoors for all users of the facility. If mandates change (hopefully are relaxed soon), we will follow suit and alert folks as quickly as possible (via signs and e-mail).

Annual Membership Meeting: Saturday, Nov 13 at 10:30am

You all should have received a separate e-mail with details about the upcoming annual meeting on Nov 13th (at 10:30 and we'll try to keep it brief ;-). This session is an important part of being a member of the Joslyn Center. Not everyone can serve in a leadership position at the center (although I'd love to see more people interested in helping to spread the work out amongst our many members over time), but almost everyone should be able to hang out for 30 to 40 minutes on one Saturday a year to hear about the financial dynamics of the JRC and be part of the decision-making process that confirms who is on the board next year and the budgetary parameters they will need to work with. It will be a "hybrid" in-person and online meeting to accommodate as many different needs as possible. Details for remote attendance are listed again at the end of this newsletter.

Around the Building

Our new men's urinals have arrived in Cambria (finally) and soon they will be installed so that we are at "full capacity" again. The county furnace replacement effort is progressing and orders are being placed for that equipment. I was relieved to see no signs of water intrusion from the recent 2-inch rain storm and the county very quickly came out to clear the drainage issue in the parking lot (water coming up instead of going down) on Monday!

Club Updates

From **Fishing Club**: The annual fish fry fundraiser is happening *tomorrow* Oct 30. Get yours by driving through the Joslyn Center from 4-6pm, cost is \$20 per person dinner. The menu includes: Beer-Battered Wild Caught Local Rockfish, Scalloped Potatoes, Coleslaw, Garlic Bread & Dessert!

From **Poker Club**: Poker Club continues to meet weekly on Thursday evenings at 6:15 for "dealer's choice" games, in the Conference Room at JRC. There are two tables: \$5 Buy-In or a \$25 Buy-In...you choose. There are monthly tournaments and November's tournament will be on Saturday November 13th at 6:15P in the Main Hall of JRC. The

game will be Omaha 8; Original Buy-In = \$20 and ReBuys = \$20 (for limited time). We welcome new members and look forward to seeing members at our upcoming tourney.

From **Lawn Bowls** (via Jackie Hogan, President Cambria LBC): Cambria fielded two triples teams for a tournament in Oxnard Saturday, October 23, 2021. Team 1: Sharing Skip and Vice - Charlie Herbert & Loren Dion and Lead - Jackie Hogan & Team 2: Skip - Rob Humphrey Vice - Ian Cameron Lead - Gene Brughelli

Twelve teams played three games each. The winners were determined by the number of games won and their Plus Points total. Cambria came out strong with excellent results. Top four places: 4th Cambria Team 2 won 2 of 3 with +8; 3rd Long Beach Team won 3 of 3 with +8; 2nd Santa Barbara Team won 3 of 3 with +10 and 1st Cambria Team 1 won 3 of 3 (one a nail-biter against Team 2) with +15

Cambria showed great teamwork, support for each other and confidence in our bowls. I think we made a darn good impression on all players on the green. Many claimed they've heard nothing but good things about our club, stated an interest in visiting us, and are looking forward to our next tournament. And to note, the weather was perfect and a great time was had by all! This was awesome for Cambria and lawn bowls.

And, if some of this terminology is strange to you, come on out to the green for a lesson to learn what bowls is all about. We'll teach you the fundamentals and once you're hooked, like we are, you'll learn the many strategies. We are there Monday, Wednesday, Friday & Saturday at 9:00 am. We hope you'll join us!

I look forward to seeing many of you in person or online in a couple of weeks,
2021 President Mark K
