## PRESIDENT'S MESSAGE

Trusting that everyone has had and continues to have a great Holiday's Season! Thanks to the JRC Office Staff (**Pam, Patty** and her daughter), the Dance Club and of course **Malcolm** for the decorations in the Main Hall. They really look festive for all of the Clubs' parties and holiday celebrations at the Joslyn Center.

Sorry we weren't able to pull off the "Hospitality Night" on December 1st., but we had the cookies and refreshments and a large part of the Chorale showed up ready and willing to sing for our entertainment. Hopefully, there will always be next year.

Sadly the Creativity Club has decided to not continue as a JRC Club. They have contributed so much to the past success of the Joslyn Center and we wish them all the best in the future.

Put it on your calendar, **NOW**. The Joslyn Center's first fundraiser of the 2012 year and an annual event that everyone anticipates:

**The Soup-er Bowl Dinner – Saturday, February 4<sup>th</sup>**

We have received assurances that the Catholic Church will not hold their spaghetti dinner on the same day this year, thus removing some competition. Hope to see you there!

**Thanks for your support,**

Wes

## PRESIDENT'S MESSAGE

Dear Joslyn Recreation Center Members,

As 2012 kicks off, it is my pleasure to welcome you back to the JRC for another great year of fun, entertainment and camaraderie. I hope you all enjoyed (or will soon) a wonderful holiday season to end 2011 on a fine note.

As I mentioned in my short message before being elected as the president for this year, I intend to focus on a few topics initially. First and foremost is that we need to find new ways of addressing the financial needs of the Joslyn Center. I will be calling each club president to ask for the chance to allow me time at one of your next club meetings/events to share details of how the Joslyn budget works and encourage members to come up with ideas about how we can make sure that the Center has stable funding so that all may continue to enjoy what it offers.

During those sessions, I will be looking forward to meeting many of you in person. If you want to reach me before we can look into each other's eyes, my home phone is [805.203.5156](tel:805.203.5156) or my e-mail is [YKANTI@yahoo.com](mailto:YKANTI@yahoo.com) ("why can't I"). Hearing about Joslyn Center matters as you come across problems, opportunities, and concerns that your board should be considering is very important to me since I firmly believe that Joslyn is **OUR** center and managing it well takes active participation of the members.

Talk to you soon,  
Mark Kantor

p.s. Don't forget to renew your annual membership!

**Inner Rhythm...**

is a growing group of heart centered people who dance as a way to returning to ourselves and to commune with each other. For us, the dance floor is a playground, a teacher, a healer. There are no steps to follow, no right way or wrong way to move. We move to feel what is sacred through the movement of our bodies.

**Inner Rhythm Dance...**

is a 70-90 minute dance journey. Every Inner Rhythm Dance is different but the basic format is the same. We start with slower fluid rhythms, move into pulsing percussive beats, peak into wild chaos, then return with trance like lyrical rhythms dissolving into quiet gentle stillness.

## LAWN BOWLS

We have a new set of officers for this coming year. It will be very easy to remember them because only the President has changed. **Jim Batties** will take over the Lawn Bowls helm. The remainder of the offices will not change.

We all thank **Pete DeBruin** for his service and steadfast leadership.

The Christmas Party was once again a stellar affair. It takes a great group of helpers to put on a great party and we did have both. **Denise and Joe Cooper** have the know-how and the energy to put together the party of the year.

The only things that would have made the party better would have been some new faces and we do need some new faces.

Merry-Merry.

This form of dance is one of the best all around exercises for a woman of any age. It is exotic, exciting and fun, with colorful costumes and stimulating, magical music and movements. However, you must consider that this dance, like a good yoga practice, will challenge you on the mental, physical, emotional and spiritual levels, giving back to you in much the way that you dedicate yourself to the experience.

This means that to progress, you must be interested in practicing at least some time between classes. The emphasis of this class will be on developing flexibility, personal creativity and improvisation within the form, rather than a public performance. No experience necessary.

CLASSES FORMING NOW. Please let Francesca know or contact the Joslyn Center office.
