

## JOSLYN TV Instructions

**For ALL connections:** Start by turning TV on (note conference room requires wall switch to be “on”)

**Wired with HDMI cable:** For Apple, Android or Windows; connect HDMI cable from TV to your device. TV may ask you to press [Down Arrow] to begin using PC as the source.

**For all WIRELESS connections:** your device **must** be connected to JRC WiFi MySpectrum...5G (NOT 2G); check with the office if you do not have the password

**Apple Air Play:** Tap AirPlay . In some apps, you might need to tap a different button first. For example, in the Photos app, tap Share , then tap AirPlay . Choose the correct TV and use remote to allow the connection.

**Apps that Cast:** YouTube and other Android apps that have a Cast icon; press  then choose the correct TV to cast to.

**Using ChromeCast:** For Windows PCs, you may be able to use the monitor wirelessly by casting your screen to the JRC ChromeCast. Connect ChromeCast to desired TV. From a Chrome browser, select “more” ⋮ on menu, choose “Cast...”, pick source from drop down & • click “JRC ChromeCast”

PLEASE return remote and cables where you found them!
