

President's Message

On April 11, at the Pinedorado Grounds next to the Joslyn Center, the Cambria Community Council will host an event showcasing 42 local non-profit groups, including the Joslyn Center. The times are 11:00am- 2:00pm.

Our very own Dance & Social Club will be there at a separate table, and it will give a demonstration of its dancing skills from 12:15 to 1:00.

Please come out to support the Center and get to know some other non-profits in the community.

See you there, Byron

Lawn Bowls

Spring is Shining on the Cambria Lawn Bowls Club!

Spring is officially here at the Joslyn Center, and the Cambria Lawn Bowls Club (CLBC) is thriving! The fantastic March weather has provided the perfect backdrop for getting out on the green, making it an ideal time for newcomers to learn the sport.

We are thrilled to announce that our community is growing. We started the year with 33 members and have already expanded to **44 active members**. Even with this wonderful growth, we still have plenty of room for you to join the fun.

A Fresh New Look

If you walk by the greens soon, you might notice things are looking a little brighter. We have been working hard on several facility improvements that we will officially feature very soon! These upgrades include:

- Improvements to our Clubhouse.
- Fresh, modern signage to revitalize the look of the green.
- Vibrant, colorful new shade structures to keep our bowlers comfortable.

Welcoming Our Neighbors

CLBC is also in the planning stages to host our neighboring club from Santa Barbara for a special event. Beyond a great day of friendly competition, this visit is a wonderful opportunity to bring new visitors into our community to enjoy and support our local dining, hotel, and motel establishments.
