

## President's Message

March entered like a lamb. Will it leave like a lion? Who knows.

What we *do* know is that March will have more than 400 Joslyn Center members enjoying the activities of our many clubs. Here are some timely messages from a few of those clubs.

Byron Foster, President

## Club Messages:

### Investment Club

The Joslyn Investment Club currently has 18 members, and there are two member openings, and already there is interest to fill those openings. So far in 2026, the Club is in the green and looking for a profitable year. If anyone has an interest in joining the JIC please call me, Jim Tuttle, at 559-269-0313.

### Lawn Bowls Club

Roll into the New Year with Cambria Lawn Bowls!

The Cambria Lawn Bowls Club (CLBC) is off to a fantastic start! We are currently **40 members strong**, but we have plenty of room to grow and plenty of space on the green for you.

Whether you are a seasoned bowler or have never held a bowl in your life, our club is about community, enjoying the outdoors, and friendly competition. It is a low-impact sport that is easy to learn but fun to master—and we provide all the equipment you need to get started.

*Bowlers getting ready for a Game*

**Join Us for a Game** We have a very active schedule and would love to see new faces from the Joslyn Center.

- **When We Play:** Monday, Wednesday, Friday, and Saturday.

- **Time:** Games start promptly at **9:30 AM**.
- **How to Join:** Please show up by **9:00 AM** to get signed in for team placement/instructional introduction. Come see why lawn bowling is one of the best ways to stay active in Cambria. We look forward to seeing you on the green.

### **Poker Club**

The POKER CLUB provides a fun & affordable place to play poker in Cambria. Every Thursday evening at 6:15PM we get together in the Conference Room for "Dealer's Choice". A choice of playing at a \$5 or \$25 table for the night. We also have monthly Tournaments; in March we will play Texas Hold'em at 6:15PM in the Main Hall on Saturday, March 14th. Questions? Contact Manya 805.927.5000 text/cell.

### **Spirit and Dance Club**

Spirit Dance and Drum will hold our monthly Full Moon Drum Circle on Monday **March 2nd** and on Monday **April 6th**. We will be starting at 6:30 p.m. No experience necessary to have a great time! Bring refreshments or munchies if you like. If you have a drum or rhythm toys, bring them. If you do not, some extras will be provided. Also, a small donation to the Center for the use of the hall would be appreciated.

## Table Tennis Club

At the **Cambria Table Tennis Club**, we gather with a grin,  
Thirty-nine strong paddles, ready to begin.  
With sneakers squeaking bravely on the polished wooden floor,  
We stretch our backs, then cry out, “One game more!”

We lunge and pivot with great care,  
Chasing shots that quickly change in mid air.  
Sometimes we lose the score at “ten-to-three?”  
Or was it seven? “You’re serving—no, it’s me!”  
But laughter floats above the din—  
Because at our age, fun is how we win.

Four days a week, we meet and rally,  
Friendly faces in our seaside valley.  
We snack on sweets and swap old tales,  
Of travels, grandkids, and yard sale sales.

So here’s to thirty-nine who spin and swing,  
Who prove that age is just a thing.  
At the Cambria Table Tennis Club, we thrive—  
Staying young at heart . . . and keeping the game alive. 🍷

Steve Levine recently moved and came back to visit (bottom left.)

Al Abney, one of the club’s first members, came back to chat after moving away last year. (Center bottom row)
